

The image shows an energy label for a MORA OI661X product. At the top left is the European Union flag. To its right, the word "ENERG" is written in large letters, with "енергия · ενεργεια" below it. Further right are four small circles containing the letters Y, IE, IJA, and IA. Below this header, the brand name "MORA" is on the left and the model number "OI661X" is on the right. The main part of the label features a vertical scale of energy efficiency classes from A+++ (green) to D (red), with a black arrow pointing to class D. To the right of this scale, a box contains the value "70.7 kWh/annum". Below the scale are four icons: a fan, a light bulb, water droplets, and a speaker. Each icon has a corresponding scale below it: "ABCDEFG" for the fan, "ABCDEFG" for the light bulb, "ABCDEFG" for the water droplets, and "67 db" for the speaker. At the bottom left, the text "65/2014" is visible. On the right side, the number "737521" is printed vertically.
